JOB DESCRIPTION

Senior Developer Freelance
Wordpress / Woocommerce specialist

Established since 2006, Bodia has started its activities with the opening of cocooning Spas in Siem Reap and Phnom Penh offering an authentic vision of relaxation in a modernly designed Cambodian Spa. In order to guaranty the quality of its treatment Bodia has created its own line of natural cosmetics and products made in Cambodia promoting traditional know-hows and using local ingredients.

Nowadays, Bodia is a network of 7 Spas located in Cambodia dispensing quality treatments and distributes and selling its natural products in all Bodia Spas and Bodia Apothecary shops, as well as through a network of 50 local distributors, 2 marketplaces (Amazon France and Cdiscount France) and 2 websites:

www.bodia-spa.com | **www.bodia.com**

In order to support and develop its communication activities as well as assist our Marketing Team, Bodia is looking for an experienced and passionate WordPress Developer to support our team! As a WordPress Developer at our company, you will be responsible for both back-end and front-end development (mostly wordpress and woocommerce + international ecommerce). We are expecting the candidate to have a strong understanding of latest industry trends and content management systems, as well as very strong skills in developing under Wordpress and Woocommerce.

Duration:
FREELANCE contract 3 months renewable, full time
